**Where? Come to the Dunbarton
Transfer Station.**

Volunteers are needed with splitters and/or chainsaws.

Volunteers needed with pickup trucks to pick up donated wood.

Who? Volunteers 18 and older

Families can come and help move and stack the wood for storage.

Come and be a part of this community event.

Volunteers are needed to process donated burnable wood at the annual cut and split day at the Transfer Station. Volunteers will be cutting and splitting using their own saws, splitters, and protection equipment.

If you have questions, call or email energy@dunbarton-energy.org .

The Community Woodbank has donated wood ready to split at the Transfer Station. Some of the wood is from the Cemetery Maple tree.

The **Jim Stone Community Wood bank** provides firewood for Dunbarton residents through the Town Welfare Office.

Your help will save the town money!
